Technical Advisory Committee (TAC) Minutes

Tuesday, May 5, 2026 - 10:00 a.m.

Location: [Join Teams Meeting](#)

1. Administrative Items

The Committee reviewed the meeting agenda for May 5, 2026.

March 3, 2026, Draft TAC Meeting Minutes were tabled due to the lack of a quorum at the start of the meeting.

Committee members received updates regarding the MPO Project Status Report. Staff provided brief updates on ongoing transportation planning and project implementation activities.

Representatives from VDOT and DRPT shared agency updates, including current project coordination efforts and anticipated funding/program developments relevant to the MPO region.

2. Public Comment Period

No public comments were received.

3. Smart Scale Resolutions

Taryn Logan of NSVRC presented Smart Scale resolutions for Committee review. Discussion focused on project prioritization, regional transportation needs, and alignment with MPO planning objectives.

Committee members discussed the proposed projects. Following the discussion, Mr. Pearson made a motion to recommend approval of the Smart Scale resolutions with updates as discussed to the Policy Board. The motion was seconded by Mr. Hall. Motion carried unanimously.

4. Update: VDOT Project Pipeline Studies

Brad Reed, VDOT, provided an update on ongoing VDOT Project Pipeline Studies. Discussion included study progress, evaluation methodologies, and anticipated timelines for future recommendations.
